

Concours d'art oratoire 2024

May 6, 2024

Canadian Parents for French-Newfoundland and Labrador was thrilled to host the provincial Concours d'art oratoire in the Education Building at MUN in St. John's on Saturday May 4th 2024. This was the first time since 2019 that the contest was held in person. This was also the first time that contestants could compete via video conference, and effectively make the contest more accessible to more students in our province.

We are very grateful for the support from Jacqueline Rideout at MUN, and for hosting the event in the Education Building. We are forever grateful for our judges and volunteers that made the event possible.

Congratulations to the 17 contestants that competed in the 8 different categories. Each and everyone of these students were celebrated for having the courage to compete in person. We are also proud to have Caroline Ducey moving on to compete in the National contest in Ottawa!
