

Dear applicant,

Thank you for having considered our scholarship to support your studies during the Memorial University Bachelor of Education program. We realize that the French language plays a very integral role in the lives of students. Canadian Parents for French-Newfoundland and Labrador would like to offer you the opportunity to receive financial support while celebrating what you love to do: teach French. Canadian Parents for French-Newfoundland and Labrador (CPF-NL) is the national network of volunteers which values French as an integral part of Canada and which is dedicated to the promotion and creation of French-second-language learning opportunities for young Canadians. This scholarship has a monetary value of **\$1,500** that will be paid in December. The French language is becoming more and more important in the school system and there is a demand for new French teachers; we realize that the internship is not paid for and this could hinder your financial situation. It is for this reason that we offer money to students in the Faculty of Education with a concentration in French.

One of the eligibility criteria of this scholarship is membership with CPF-NL . By becoming a member of our organization you will discover countless ways to improve your teaching, your knowledge, and your future as a French teacher. We hope that you will assist us with our programs during the year (i.e. Heather Huxter Competition, the provincial French speak-off, Regatta Day, summer camp in Saint Pierre). Like you, we aim to attain the highest level of support for French students and their families across the country. Join us, and discover infinite possibilities!
